STATEMENT OF MANAGEMENT'S RESPONSIBILITIES FOR THE PREPARATION AND APPROVAL OF THE FOR CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2021

Management is responsible for maintaince of accounting records and preparation of consolidated financial statements that accurately present the consolidated financial position of Limited Liability Company Insurance and Reinsurance Organization "Spitamen Insurance" ("the Company") and its subsidiaries ("Group") as of December 31, 2021, as well as the results of their activities, consolidated cash flows and consolidated changes in equity for the year then ended.

These consolidated financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") and necessarily include amounts based on judgment and estimates.

In preparing consolidated financial statement, Management is responsible for:

- properly selecting and applying accounting policies;
- presenting information, including accounting policies, in a manner that provides relevant, reliable comparable and understandable information;
- providing additional disclosures when compliance with the specific requirements in IFRSs are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the Group's consolidated financial position and consolidated financial performance; and
- making an assessment of the Group ability to continue as a going concern.

Management is also responsible for:

- designing, implementing and maintaining an effective and sound system of internal control, throughout the Group;
- maintaining adequate accounting records that are sufficient to show and explain the Group's transactions and disclose with reasonable accuracy at any time in the statement, and which enable them to ensure that the consolidated financial statement comply with IFRS;
- maintaining accounting records in compliance with the legislation of Republic of Tajikistan and IFRS;
- taking such steps as are reasonably available to them to safeguard the assets of the Group;
- preventing and detecting fraud and other irregularities.

The consolidated financial statements of the Group for the year ended December 31, 2021 was approved by Management of the Group on October 21, 2022.

On behalf of the Group's Management:

Rahmonov Buzurgjamil

Director

INDEPENDENT AUDITOR'S REPORT

To the Shareholders and Supervisory Board of Limited Liability Company Insurance and Reinsurance Organization "Spitamen Insurance":

Opinion

We have audited the consolidated financial statements of Limited Liability Company Insurance and Reinsurance Organization "Spitamen Insurance" (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position as of 31 December 2021, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2021, and its consolidated financial performance and its consolidated cash flows for the year, then ended in accordance with International Financial Reporting Standards ("IFRS").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISA"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the "IESBA Code") together with the ethical requirements that are relevant to our audit of the consolidated financial statements in the Republic of Tajikistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements. Our audit procedures relating to these matters were designed in the context of our audit of the consolidated financial statements as a whole, and we do not express an opinion on these individual matters.

Key audit matters Audit procedures concerning key audit matters Loan Impairment methodology The Management of the Group accrual allowances We conducted procedures related to classify loans by impairment in relation to financial instruments risk group, the internal control system was evaluated, based on the terms of concluded agreements, loans of individuals and legal entities were tested on a assessing the financial condition of customers, as sampling basis, including the calculation of impairment. well as forecasting future cash inflow for obligations existing at the reporting date. Note 10 "Loans to customers" contains detailed information on loans, taking into account the accrual of an allowance for impairment losses.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

The allowance is formed on an individual basis, based on the assessment of the borrower's solvency, taking into account the assignment of classifications of the obligations of this borrower and its collateral.

Borrowings

The Management of the Group attracts borrowings from legal entities for the purpose of generating profit through further refinancing. Borrowings are attracted both in national and foreign currencies on the basis of signed contracts with creditors on a short-term basis with subsequent prolongation.

We pay special attention to these issues due to the materiality of this balance sheet in relation to the total amount of liabilities. The structure and service of each borrowing require from the Group to evaluate contractual agreements and their impact on borrowings accounting. From our part, procedures were carried out to analyze contracts, analize the internal control system for these borrowings, and also, we have performed procedures in relation to recalculation of borrowings and interest on them on a sampling basis.

Note 21 "Borrowings" contains detailed information on borrowings.

Emphasis matter

Negative foreign exchange position – we draw your attention to the note 41 of the attached financial statements, which indicates the Bank's negative foreign exchange position for the year ended 31 December 2021.

<u>Capital adequacy ratio</u> – we would like to draw your attention to the note 42 in the attached financial statements, which reflect the capital adequacy ratios K1.1 and K1.2 of the Bank for the years ended 31 December 2021 and 2020, respectively.

We do not express a modified opinion in connection with these matters.

Responsibilities of Management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS, and for such internal control as Management determines is necessary to enable the preparation of consolidated financial statements that is free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, Management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's responsibility for the audit of consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this consolidated financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by Management;
- conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Audit Partner on the audit resulting in this independent auditor's report is Maftunzhon Baratov.
